ROCHESTER WINS HARD BATTLE

Scores Touchdown on Forward Passes in Second Quarter—Hamilton's Defense Strong Against Heavier Eleven—Field in Poor Condition.

SCORE 7 TO 0

Hamilton lost its seventh straight game of the season when it was defeated by Rochester on Saturday by a 7 to 0 score. The touchdown came in the second quarter as a result of two forward passes, the second one going over the goal line into the arms or McAnnally, Rochester's left end. Through the rest of the game the elevens struggled desperately against the handicap of the worst weather conditions this season, but neither was able to place the ball over the goal line.

The Buff and Blue had one chance to score in the second period, when following fumbles of kicks, they had possession of the ball on the Yellow's 25-yard line. Two tries at the line and a forward pass failed, and then Captain Fowler dropped back for a try at placement. The attempt was blocked when Eckler made a high, slow pass to Pitkin, who held the ball. Rochester recovered the ball.

Rochester had another chance to score at the end of the fourth period, when Fletcher fumbled on the ten-yard line, but Hamilton's defense held. The Yellow's backs were sent against the line on the next three plays but could make only six yards. On the next play, Weeks, quarterback, adopted new tactics in the hope of getting a second touchdown. A forward pass over the goal line was incomplete and Hamilton took possession of the ball on its 20-yard line. During the rest of the game both teams tried ineffectually to plow through the ankle-deep snow.

Hamilton's line put up the best defensive game of the year against Rochester. Spice, McGiffin, Pope, and Fowler all played well on the defense. On the offense Eckler played center, while on the defense Fowler played roving center and Eckler defensive guard. This made a strong combination, no plays getting through. Both the ends deserve much credit for their fine work in breaking up Rochester's interference, all attempts at end runs being broken up by them. In the backfield Fletcher's work on the offense excelled. Several substantial gains were made on end runs. Stern played a strong and consistent defensive game, tackling Gleason so hard in the first quarter that he was forced to retire. There were very few penalties to mar the contest.

Though the Buff and Blue was considerably outweighed, they made up for it in fight. Time and again, when danger threatened, the line stiffened and braced and the Rochester backs were forced to resort to a well-directed aerial attack. The offensive work of both teams was obviously retarded by the heavy, mud-covered field. Pope at right end stood out for his excellent defensive work, breaking through the Rochester interference on several occasions and making some clean, hard tackles. Evans also played well on the defense.

CHARLATANS HOLD TRYOUTS

One of the largest crowds of fellows which has ever tried out for the Charlatans, the dramatic organization, assembled last Sunday evening at the D. U. House. William Spice, president of the organization said that the material seemed most promising this year, and that in the freshman class the material was especially good. Practically all of last year's Charlatans participated in the tryouts.

It was decided to produce the following plays to be presented during the Christmas vacation: "Bound East to Cardiff", by Eugene O'Neil; "A Flitch of Bacon", a comedy by the Harvard 47 Workshop, and "The Rising Moon", a drama by Lady Gregory.

Rehearsals are to be started this week and will be held in the various fraternity houses. The Christmas trip will be made in the vicinity of New York, where the three one-act plays will be staged in school auditoriums and other suitable places. The trip will be similar to the last year's Christmas trip.

The committee which decided on the plays and on what men should be chosen for the cast included Mr. and Mrs. Edward Root, Professor R. B. Rudd, and Professor Paul A. Fancher. It is generally understood that the try-outs last Sunday evening in all probability were the final try-outs.

FOOTBALL ISSUE OF ROYAL GABOON OUT SATURDAY

The football issue of the Royal Gaboon will be out the Saturday of the Union game, November 19. It is expected to arouse considerable enthusiasm on the Hill, for it is a "knockout". Not only is this issue to be much peppier than the last, but the whole publication has been changed in such a way as to best tickle the funnybone of Hamilton College. For one thing the illustrations are much livelier. The articles, most of which concern football, are shorter. This is a marked improvement, for a short snappy article is much more effective in its purpose, especially if that purpose is to make someone laugh. Occupying the front cover is a three-color drawing by A. Laighton Seaver, '23. A three-color Arrow Collar advertisement will be found on the back page.

And there is a new wit department. "Pops" Martin, '20, will make the college laugh on a page all his own which he has named "Overherd in the Bull Pen". There is also a cartoon drawn by one of the fair ones who visited the Hill during the Fall House Party. It was so good that the Board has decided to issue a "Girls' Number", which will be out some time in the future.

The other issues this year will include Prom, Easter, Spring House Party, and Commencement—one of which will be the "Girls' Number". Elections to the Editorial Board will take place this week or next. It is urged that more short articles be submitted, as this kind is much more satisfactory than the longer class of contributions. It would also help a great deal if the alumni and undergraduates would take the more economical way and subscribe to the Gaboon, rather than buy it by the copy.

HISTORY PRIZES OFFERED TO COLLEGE STUDENTS

Knights of Columbus Historical Commission Announce Contest—Five Classes Enumerated.

The Knights of Columbus Historical Commission announces a series of five prizes for the best studies based on researches in primary sources, in the field of American History. Its purpose is to encourage investigation into the origins, the achievements and the problems of the United States; to interpret and perpetuate the American principles of liberty, popular sovereignty and government by consent; to promote American solidarity, and to exalt the American ideal.

Manuscripts should be prepared especially for this purpose, and deposited in the mail on or before May 31, 1922. They should be addressed to The Knights of Columbus Historical Commission, Studies in American History, National Shawmut Bank, Boston, Mass. They must be scholarly and comprehensive, typewritten and fully annotated. Manuscripts that have previously been published will not be considered, and to insure absolute fairness in award, each manuscript must be signed with an assumed name.

The awards will be based on five classes: Class A—Professors of instructors in history in American colleges, $3,000. Class B—Specialists in history who are not college teachers, $2,000. Class C—Students who have access to material dealing with international relations, $1,000. Class D—School teachers or superintendents of the United States, $1,000. Class E—Undergraduates in the colleges of the United States, $500.

Any subject to do with the actual events of American History, or topics relative to America's foreign policy may be taken as subjects for special study and work. Each manuscript must include complete bibliography of sources used in preparation.

Among the judges will be Rear Admiral William S. Benson, Maurice Francis Egan, former Ambassador to Denmark, Hannis Taylor, former Minister to Spain, and Professors Cleveland of Boston University, McCabe of Princeton, and Derry of Union. Several experts on history and historical archives will assist them.

The Historical Commission will also accept and pay for extra valuable contributions, from whatever source they may come. Papers for this purpose should be submitted to K. of C. Historical Commission, 199 Massachusetts Avenue, Boston, Mass. Accepted manuscripts will be published.

ELDERS ORDAINED IN COLLEGE CHURCH

At the regular communion service in the Chapel Sunday afternoon at 4:30, R. Hawley Fitch, '23, and Paul Stevens Olver, '24, were ordained as elders of the College Church.

At the service the following were received into membership in the College Church: James Burke, Hyler Connell, Ralph Garypie, John Gregory, Harold Harding, Fenn Hoyt, Wilfred Packer, Frederick Scovel, Richmond Thompson, and John Toaz. Prof. George E. Wisewell was also received by transfer into the church.

TOWNE'S CONDITION MUCH IMPROVED

Deidrich Towne, president of the class of '25, who has been confined to his bed in the Faxton Hospital at Utica as a result of injuries received in a practice game of football, is now able to be up in a wheel chair. He will return to the Hill next Saturday, but will be unable to attend classes until after Christmas.

MULFORD, '22, ELECTED TO LIFE BOARD

Leo S. Mulford, '22, was last week elected to the **Life** Board as an assistant editor. This was done in recognition of a great amount of work done by Mr. Mulford for the publication in the past two years.

LANGTRY, '23, ILL IN CLINTON

Charles S. Langtry, '23, leader of the Instrumental Club, is ill at the home of Mary King in Clinton. During his illness the Instrumental Club has ceased practicing. His condition is reported to be improving and it is hoped that he soon will be able to be on the Hill again.

CROSS COUNTRY TEAM AGAIN VICTORIOUS

Defeats the Rochester Harriers in a Hard Course—Rochester Gets First Two Places.

Over a three and six-tenths mile course covered with mud, slush, and snow, the Buff and Blue cross country team forged its way to a 25-30 victory over the Rochester team at Rochester last Saturday.

Captain Gale of the "Flower City" team, who had kept well ahead from the start, came in first with a lead of one-eighth of a mile. Milliman of Rochester and Captain Thompson, running neck and neck, crossed the finish line second and third respectively. Unfortunately, Captain Thompson was forced to break his collegiate record of never having lost a race, by coming in third. This was due in large part to the fact that a fallen anterior arch prevented him from a week's practice prior to the meet.

Yates finished a little behind Thompson. Doane and Williams showed true to form and ran their usual good race. Fenn, hard pressed by two Rochester men, passed them and came in seventh.

The race, considering the condition of the course, was run in fast time, and the Hamilton team showed up unusually well. The last man finished between the halves of the Hamilton-Rochester football game.

Two weeks ago Rochester lost to R. P. I. by two points, and it will be remembered that Hamilton was defeated by R. P. I. by nine points. Next Saturday the Buff and Blue team will meet Colgate here before the Union game. Last week the Maroon team suffered a bad defeat at the hands of Syracuse, which clinched the first five places. The summary:

Hamilton	Place	Rochester	Place
Thompson	3	Gale	1
Yates	4	Milliman	2
Doane	5	Clark	8
Williams	6	White	9
Fenn	7	Gleason	10
Total, 25 points.		Total, 30 points.	

FINAL GAME WITH UNION

Old Rivals to Clash on Steuben Field Saturday—Garnet Team Strong.

HEIDORF IS STAR

As the time of the Union game approaches, more and more interest is being shown concerning the comparative strength of the two teams. We on the Hill wonder if the Union team is strong enough to break the record established by the Buff and Blue in preventing the Schenectady warriors from scoring on our home field for the last twenty-five years. At any rate, the two teams that will match up against each other next Saturday are ready for a hard struggle.

As no word has been received from the intercollegiate press bureau, it is a little difficult to compare the strength of the two elevens. The Garnet warriors won a laurel-crowned victory by defeating the strong Wesleyan team last Saturday by the score of 7 to 0. The touchdown was made by Heidorf, the stellar Union quarterback, in the last quarter after both teams had fought for three quarters in a vain attempt to score.

The Union team fared better in the games with Clarkson and Amherst than did the Buff and Blue. The Amherst aggregation could score but six points while Clarkson went down to defeat by the score of 14 to 0. On the other hand, Hamilton made a better showing against Rochester by holding the "Flower City" team to seven points while Union was swamped by a 28 to 7 score. Hobart managed to run up twenty-one points to the Garnet's seven.

So far this year. The Buff and Blue has failed to score against her opponents. The total number of points collected by Union is forty-four. Judging from this angle, it would seem that our rival has the edge on us in its offensive work, while the Buff and Blue matches up to, if not beyond, its opponent in defense.

"Looch" Rinaldi, the right halfback and star of the team until the Rochester game, has a broken leg and will be out of the line-up for the rest of the season. Heidorf, however, has proved himself to be a fast and dangerous man in the Garnet backfield. His speed and cleverness have enabled him to gain many yards for his team. Meyer, at right end, and Parry at left half, have both partly recovered from injuries received earlier in the year, but it is still doubtful if they will get in Saturday's game. Coach Leary has developed his team by intensive practices, some of which have been secret in the past few weeks.

Hamilton's list of cripples remains about the same with Doyle, Towne, and Fuess still incapacitated. The rest of the team is in tip-top condition for the fray Saturday, and Coach Berry is launching a big drive this week to enable his men to send the Garnet warriors back to Schenectady with a defeat tucked under their arms. Since the members of the squad will be excused from the three-thirty classes during this week, the team will be enabled to start practice earlier than heretofore.

The probable line-up of the Union team for Saturday's game:

Get Union.

The Union team with its band of supporters will invade the Hill next Saturday. It is to be the big game for both of the contending colleges. It will be the time when two old rivals fight, not to cast discredit upon the other, but to gain the laurels greatly coveted by both sides. The Union game has always been marked by the true sportsmanship and hard fighting that makes both colleges friendly enemies.

If judged by the number of points scored by Hamilton so far this year, the season cannot be termed successful. Nevertheless, this fact has not the slightest effect upon the spirit and upon the backing of the undergraduate body. It has always been said that when Union meets Hamilton, both teams fight harder than in any other game. We feel confident, and rightly do we feel so, that every man fighting for the Buff and Blue will give all he has from the kick-off to the final whistle.

As has been called to everyone's attention, it is equally important that every member of the College, every friend of the College, and every alumnus who can possibly attend the game, should fight from the side lines as hard as the men fight on the field. That fighting spirit, when transmitted from the sidelines to the field of action, will make the men fight just a little harder, run a little faster, and score a little more. We should remember that the team from Schenectady has never scored a victory on our field and furthermore that this record will not be broken this year.

In the few days that are left before the game, every undergraduate from senior to freshman, should go out on that field and root for the team at practice. Furthermore, no calamity howler is to be tolerated. The team has fought hard throughout the season and deserves the backing and confidence of the student body. Remember—the alumni are out to GET UNION; the undergraduates are out to GET UNION; the team will GET UNION!

COMPARISON OF SCORES MADE BY ALUMNUS

Interesting Tabulation Gives Scores of Some of Games Since 1900

An alumnus has compiled and tabulated the following data to show the relative strengths of Hamilton football teams in the five-year periods between 1900 and 1920. The three colleges with whom we have played most consistently, Rochester, Hobart, and Union, have been taken for purposes of comparison. It can easily be seen that, although Hamilton still ranks first in total scores and number of games won, this fact is due mainly to the large number of high-score victories before 1910. Of later years both Rochester and Hobart have proved themselves on the average slightly superior to us, while Union is about the same distance behind.

This record may also show why most of the men proposed last week for the All-Hamilton team were picked from the period between 1900 and 1910.

WEBB, '24, HONORED

Ripley Webb, '24, has been awarded the medal of Expert Rifleman. He was in the National Guard in Utica from January, 1919, to September, 1920. The medal he received is the highest award a soldier may receive on ordinary duty in time of peace. Mr. Webb was the only man in New York State to receive this medal in 1920.

PROGRESS MADE ON HAMILTONIAN

The junior section of the Hamiltonian will be finished within the next few days. The individual scurfs have been written and handed in to Editor Palmer for revision. About thirty pages of copy will be sent to the publishing company at Minneapolis. The section of the Hamiltonian devoted to fraternity activities will be finished next in order, and the fraternity pictures are to be taken as soon as possible. Photographs of the football, soccer, and cross-country teams will be arranged for immediately after the seasons are over. Designs for the cover of the book are now in the hands of Editor Palmer.

DEATH OF NOTED ALUMNUS

On Friday, October 22, occurred the death of Hon. William P. Robinson, '55, at his home in Auburn. Mr. Robinson was one of the oldest, best known and highly respected citizens of the State. He was tremendoously active in political affairs, a staunch Republican, and he held many important offices during his long career.

Mr. Robinson was born in Westerly, R. I., on June 13, 1834. He received a common school education, and then entered Hamilton. He studied in the Law Department as a member of the Class of '55. After his graduation he became editor of an Auburn newspaper, and soon took an active part in politics. While he served the people in office, he continued to carry on various commercial enterprises. He served many years in the State Assembly, and was on the committee that recommended that a charter be granted to Cornell University. Mr. Robinson has held municipal as well as State offices, and the value of his work in public affairs is very great.

"I'll never take another drop," said the soused one, as he fell over the cliff.

EARLIER PRACTICE FOR FOOTBALL SQUAD

In consideration of the poor practicing conditions and the early hour that it begins to get dark, the faculty have granted permission to the men on the football squad to be excused from their 3:30 classes during this week. It is understood that arrangement will be made with the instructors of the men excused to make up the work missed on account of the absence from the recitations.

This policy was followed for part of the season last year and was again adopted in the past week. Thus the squad will not only be able to engage in a longer practice, but the greater part of the work can be done while it is still light. In the previous weeks, the team has been greatly hindered in carrying out many of the plays, especially the forward pass, on account of the inability to see the ball at any distance.

Another plan which is expected to benefit the team went into effect last week. All men on the football squad are to report for gymnasium work for at least three hours a week. The idea of this plan is to devote this extra time to personal instruction of every man in some detail of football that he needs to improve most. Part of the time will be spent in reviewing the important rules of the game.

PROFESSOR RUDD WRITING ARTICLES FOR LIFE

Several humorous articles by Robert Barnes Rudd, '09, associate professor in English, have been appearing in recent issues of Life magazine. These articles take the form of letters from a young debutante describing various social events in her life. The articles are more or less satirical allusions to present day customs. An especially good article by Mr. Rudd appears in the November tenth issue of Life.

SOCCER GAME POSTPONED

The soccer game between Syracuse and Hamilton scheduled for Wednesday, November ninth, has been postponed until the weather conditions permit such a game to be played.

Y. M. C. A. NOTES

The note on the Hamilton in China fund was due yesterday. The deficit is over one hundred dollars. The College Church has contributed fifty dollars toward the deficit, and Pres. Kibler is very anxious that the rest of the debt be discharged as soon as possible.

Pres. Kibler and Hawley Fitch have been instrumental in starting a Sunday-school at England, N. Y. The Vicinity Committee of the "Y" is co-operating with Mr. Keener, pastor of the Stone Church in Clinton, in locating various Sunday-schools in the immediate vicinity of the Hill.

Scott, '25, has been put in charge of a Boys' Work Class at the Utica Y. M. C. A., which is held every Saturday evening.

The Y. M. C. A. vaudeville show will probably be held sometime between the football and basketball seasons. The money raised at this entertainment will be turned over to the Hamilton in China fund.

The M. M. Club has been sending out some of their members to preach at the various smaller towns of the vicinity.

The national Y. M. C. A. has sent out a circular urging all college men to consider the week of Nov. 13th to 19th a week of prayer. In accordance with this desire, the local Y. M. C. A. will hold a special prayer-meeting in Silliman Hall Wednesday evening at eight o'clock.

Last Saturday's feature picture on the Hill was "His House in Order", starring Elsie Ferguson. The movies at Commons Hall will be continued until Dec. 10. The shows have been well attended this year, probably because of the excellence of the pictures, all being Paramount features. On Nov. 19, a Wallace Reid picture, "Excuse My Dust," will be shown on the Hill. Marguerite Clark will be the next star in a picture entitled "Easy to Get." This feature will be shown Nov. 26, and will be followed by a Cosmopolitan productin starring Marion Davies. This picture, "April Folly", is based on a story by Cynthia Stockley, and will be shown here Dec. 3. The last show of the series will be shown Dec. 10, starring the popular Charles Ray in "Alarm Clock Andy."

With the Colleges

—The new running track for Yale track men on Yale Field is being constructed by the same men that built the Yale Bowl. On the north side of the track will be a 440-yard oval. The special advantages of the new track are that all the starters will be on a straightaway and will finish in front of the grandstand. The center of the field is taken up by the freshman football field.

—For the first time in the history of Williams, a "W" in golf has been awarded. James W. Ward, the runner-up in the intercollegiate tournament last June is the recipient. His fine showing was all the more remarkable because his practice on the Williams basebabll nine last spring limited his time on the links.

—The cornerstone of what, it is said, will be the largest and best equipped chemical laboratory in the world was laid at Cornell, October 20. The million and a half dollars necessary for its construction and equipment was donated by George F. Baker, a noted banker and financier of New York City. It will be made of native stone, quarried on the University grounds. The building will be four stories high and will contain about five acres of floor space. Some unusual features will be a bomb-testing room and a complete chemical museum.

INTER-FRATERNITY CONTESTS PLANNED

Basketball, Races, and Some Winter Sport to be Included—Cup Will Be Awarded

Plans are now under way for the continuance of inter-class basket-ball as carried on last year and the revival of inter-fraternity athletic contests. A few years ago inter-fraternity basket-ball was played, but the plan will be enlarged upon this year to embrace other sports as well as basket-ball.

Inter-class basket-ball practice will be started during this week. Basket-ball has already been introduced in the gym classes, giving the men an oportunity to get in shape for serious competition for berths on the class teams. Practice will be continued until the week after Thanksgiving, when the games will start.

The revival of inter-fratrnity athletics will arouse no little interest among the crowds on the Hill, especially since two new branches are to be introduced. In addition to basket-ball, running contests and another winter sport, as yet unnamed, will be included in the program. The races are to be run on the track in the new hockey building, between the halves of the hockey game.

Formerly a cup was awarded to the crowd who won the basket-ball tournament, but this year the cup goes to the fraternity winning the most points in basket-ball, track, and the third sport to be announced later. In this way the competition is not confined to one sport, but gives practically every man in the crowd an opportunity to take part in at least one of the contests.
